Dear Mr. Yoast:

We were unable to contact you by telephone on this date in regard to the #1 Cannon, SW SW of Section 10, 6N 85W, but talked briefly with your sister-in-law, Mrs. Jim Yoast.

We have not heard from you since February of 1967 regarding your plans on the #1 Cannon well. Please be advised that you must keep this office informed of the status of this well at least once a year. In the event we do not hear from you, we may be forced to plug and abandon the well on the bond that you took out with the Transamerica Insurance Company.

Please let us know your plans for this well at your earliest opportunity.

Very truly yours,

OIL AND GAS CONSERVATION COMMISSION

James A. McGee  
Associate Petroleum Engineer
