<p>COGCC Inspection Report Summary                      On Tuesday 1-10-2023 at approximately 1300 hrs. I, Inspector Robbie Revas, Conducted an on-site inspection: Follow up to inspection Doc # 702401169.                      Operator: KP Kauffman                      Location name: Frederick 1                      API #05-123-08506                      County: Weld                      Weather: Mostly Clear.                      Location: Snow covered.                      While there, I observed a wellsite and tank battery, SI at the time of inspection.                      During this inspection, the following compliance issues have not been addressed and they are now delinquent:                      605.g signs general condition: WH sign, Tank labels &amp; placards ar faded/peeling and need to be replaced, CA dat 12-10-2022.                      See attached photos.                      A follow up site inspection is needed to ensure that the addressed Compliance issues comply with COGCC rules.</p>	revasr	01/10/2023
