<p>COGCC Inspection Report Summary On Thursday 1/12/2023 at approximately 10:40 hours, I, Inspector Tom Peterson, conducted an on-site inspection at the PDC Energy HSR-Elliot Tank Battery location #481664 in Weld County, Colorado. While there, I observed that the emergency contact number decal on the tank battery sign required replacement. During this inspection the following possible compliance issues were observed: Rule 605.e. with a corrective action date of 2/13/2023. A follow up on this site inspection needs to be conducted to ensure the compliance issues have been corrected to comply with COGCC rules. This is a summary of the inspection report.</p>	petersont	01/12/2023
