Gentlemen:

On June 18, 1985, we received a Completion Report (OGCC Form 5) on subject well which, incidentally, was submitted a year late in violation of rule 306 which could make you subject to a penalty for violation of that rule. I am not, however, interested in the penalty, but noticed that you did not furnish the geologic information requested on the back of the Form 5 or a copy of a geological report.

Please submit this information by May 5, 1986, or an explanation why you can not do so.

Very truly yours,

William R. Smith, P.E.
Director
