Gentlemen:

We acknowledge receipt of and thank you for the log and plugging data on the No. 1 North Sterling Reservoir, located in Section 10, Twp. 9N, Range 53W, Logan County, Colorado.

A review of our records indicates that we have no Notice of Intention to Drill files on this well. Please examine your files and see if you have an approved copy of Notice of Intention to drill this well. If not, in order to get the records in order, I would appreciate your filing a Notice of Intention to Drill this well, so that it may be approved and set the files in order.

*Hold*

Sincerely yours,

Director.
