Dear Mr. Jersin:

Please refer to your letter of February 2, 1960,
requesting the status of our Manka #1 well, Moffat
County, Colorado.

This is to advise that the well has been drilled
and cased as set forth on notice of intention. The
pump has currently been set on the well and an attempt
to recover some 2500 barrels of crude oil utilized in
the drilling and fracing of the well.

Upon the recovery of the same, we will file the
necessary completion papers with your office.

Very truly yours
