Tow Creek, Routt County, Colorado

Gentlemen:

We are in receipt of your completion report, OGCC-5
on your # 1 Gov lease in the C SW NENW of Section 19, 6N, 86 W.

On checking, we find that we have never received an
intention to drill this well or form OGCC-6, plugging report. The
U.S. Geological Survey advise that they approved the drilling of
this well in November of last year.

We are enclosing a book of our Rules and Regulations
so that in the future you will have knowledge as to what *forms* are
required by the Commission.

Kindly fill in attached forms and return to our office
for this well record. Thanking you for your cooperation, we remain,

Very truly yours,
Oil and Gas Conservation Commission
