Inspection Photos
Location Name: Stennett
Location ID: 317093

Photos 1 & 2. Facing south and southeast at tank battery. NFPA placards are missing and or not legible.

Inspection Photos
Location Name: Stennett
Location ID: 317093

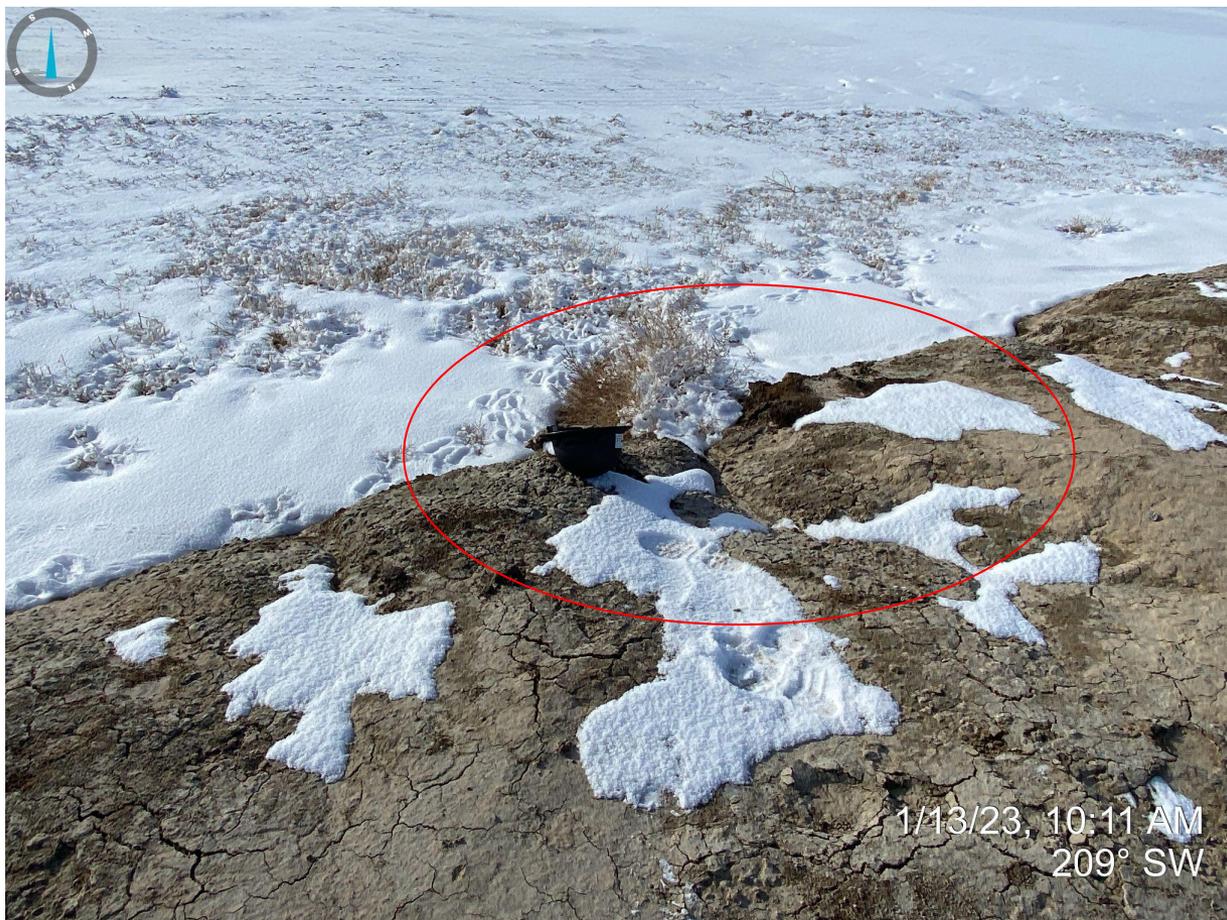

Photo 3. Facing southwest from southern pit wall. Photo illustrates gully erosion on pit wall with hard hat for scale.

Inspection Photos
Location Name: Stennett
Location ID: 317093

Photo 4. Facing east from the southern pit wall. Photo illustrates unconsolidated material comprising the walls with evidence of rill and gully erosion. Snow cover is obstructing view of adjacent ground and a follow-up inspection will be constructed at a later date to assess site conditions.

Inspection Photos
Location Name: Stennett
Location ID: 317093

Photo 5. Facing north from the northern pit wall. See comments in Photos 3 & 4.

Inspection Photos
Location Name: Stennett
Location ID: 317093

Photo 6 . Facing east from the northern pit wall. Photo illustrates rill and gully erosion occurring on both the interior and exterior walls.

Inspection Photos
Location Name: Stennett
Location ID: 317093

Photos 7 & 8. Facing west and north from the wellhead/pump jack. Photo illustrates a leaking wellhead at fittings and polishing rod. Stained soil (outlined in red) will need to be removed.
