<p>COGCC Inspection Report Summary                      On Thursday 1-1-2023 at approximately 1130 hrs. I, Inspector Robbie Revas,                      Conducted an inspection:                      Operator: Chevron/Noble                      Location name: Dechant X01-07                      API #05-123-31920                      County: Weld                      Weather: Clear.                      Location: Muddy.                      While there, I observed wellsite and tank battery, TA at the time of inspection.                      During this inspection, I observed no compliance issues:                      See attached photos.                      No follow up site inspection is needed to ensure that the addressed                      Compliance issues comply with COGCC rules.</p>	revasr	01/19/2023
