C SW SW Sec. 10-T19S-R45W
Kiowa County, Colorado

Dear Mr. McKee:

Per your recent conversation with Bruce Emery of this office concerning the plugging procedure for the referenced well, please find the attached revised Sundry Notice, wellbore diagram and workover report. Due to the deteriorated condition of the well, attempts to pull the stuck tubing or recover 5-1/2" casing are not planned. Please review the attached procedure and contact Bruce Emery at the above address for any changes.

Sincerely,

J. M. HUBER CORPORATION
