Gina and Nolan,

Here is the current recap of issues:

- Issue 1 – Received revised Subsequent Attestation and will get it uploaded to the form.
- Issue 2 – **Still need the Wells and Facilities – Not Transferred list and the Seller Retains Responsibility Attestation.**
- Issue 3 - If the parties perform the research and determine that all corrective actions for a particular FIR have been resolved, that FIR does not need to be listed on the Form 9 but will be subject to Rule 218.d(1)D.iii.
