**General Comment:**

On 1/23/2023, Reclamation Specialist O'Malley conducted a final reclamation and stormwater inspection at TEP Rocky Mountain LLC's STRANAHAN-66S92W/27NWNE Location #335437 in Garfield County, Colorado.

The following compliance issues were observed during this inspection:

- Trash/debris

Refer to the "Location," "Reclamation" and "Stormwater" sections of this inspection report for additional details.

Refer to the photo-documentation of the observed compliance issues attached to this report.

Any corrective action(s) from previous inspections that have not been addressed are still applicable.

A follow up inspection on this site will be conducted to ensure the compliance issues have been corrected to comply with COGCC rules.

1003 f. Weeds Noxious weeds? P

Comment Areas of the location not needed for production, or no longer in use have been reduced and reclaimed. Introduced perennial grasses (crested wheatgrass) appear sporadically established in portions of the interim areas. Perennial grasses were not or rarely observed in the southwestern interim areas. However, assessment was impeded by snow cover and dormant season. A follow up inspection will be conducted during a future growing season to determine compliance with 1003 requirements.
