Re: Authorization to gather gas for Meyer Oil Company well;
Montgomery #1-21, SE SE 21 1N 69W, OGCC Lease #10558

Dear Mr. Mauz:

The Colorado Oil and Gas Commission revoked the authorization to transport oil and gas from this lease on May 16, 1995. At this time the Commission will authorize the gathering of gas from the lease in order to allow the Meyer Oil Company to safely relieve wellhead pressure prior to plugging operations.

Thank you for your cooperation in this matter. Please contact me at 303-894-2100 x 108 if you have any questions.

Sincerely,

Dave Shelton
Petroleum Engineer
