**DESCRIPTION OF COMPLAINT**

(Please be as specific as possible)

**Location of Concern \***

Please provide as much detail as possible. It is important to narrow down the location.

The location of the oil pad is located in the Monument Ridge Subdivision in Battlement Mesa Colorado.

**Detailed description of the issue(s) \* (?)**

Please provide as much detail as possible. It is important to narrow down the issue(s).

Tera Energy company purchased 15 gas wells located in the Monument ridge subdivision and has colluded with the developer of the monument ridge to hold the home at a disadvantage by giving their HOA votes to the land developer who refuses to turn the HOA over to the family's that live with in the subdivision. There are 20 units in total with in the subdivision, 7 owned by the developer, 1 owned by his girlfriends son totaling 8, Tera holds 4 units, and 7 homes built in the subdivision with one unit owned by a large ranch that has decided to work with the actual homeowners. Tera holds the decisive votes when it comes to decisions like raising dues, leveling fines and so on.

The homeowners have requested Tera through Email and phone calls to please remove their because the decisions their votes make to do affect their families and properties like they do the actual homeowners. Also as a commercial operation they really have no business being involved in the workings of a Home Owners Association. Tera has refused to even consider removing their votes due to in their own words "we have other dealing with monument Ridge LLC and do not want to jeopardize those dealings."

I understand that they probably have the legal right to act how they are acting however I find it to be morally and ethically wrong in how they are conducting business with in the Monument Ridge HOA. Tera is going against their own community relations standards and have repeatedly gone against their own stated values, of having value based community partnerships.

We are a blue collar community and due not have the money to fight a billion dollar company in court and we are desperately seeking help in this situation. Any help or guidance would be greatly appreciated.
