

Figure 1: Eagle 2-5 Well Location Diagram with Gas Gathering Line and Proposed Soil Sampling Locations

Well Notes:

- Lat/Long: 39.825880 / -102.500160
- Location: SWNW S2 T3SR46W
- Location ID: 338145
- Facility ID: 292959

Equipment Notes:

- Wellhead
- Pumping Unit
- Separator
- Gas Meter
- Above ground flowline separator to gas meter
- Gas goes into gathering system on pad at the outlet of the gas meter
 - NO OFF LOCATION FLOWLINE. GATHERING LINE TIES INTO THE GAS METER ON LOCATION.
 - Gathering line is 4" SDR 11

Proposed Work Area:

- Area outline
- Proposed soil sampling locations
- Separator
