General Comment:**COGCC Inspection Report Summary**

On Monday 2/6/2023, I, Inspector Scott Ramsey, conducted a follow up inspection at TEP Circle B3, at Location # 334629 in Garfield county Colorado.

Any Corrective Actions from previous Inspections that have not been addressed are still applicable.

While there, I observed normal production operations. This location is within or in close proximity to a CPW Density/High Priority Habitat, black bear, NSO habitat, Wildlife Management. Operator (TERRA) has provided there Piceance Basin Storm water Manual of BMP's (SC-4) for a tracking pad.

Some C/A's from previous inspections document # 700703381 have not been completed.

During this inspection the following compliance issues were observed:

1. Stored/unused equipment remains from previous inspection.

2. Well head signage is faded and some is illegible.

Refer to photograph of observed compliance issue.

A follow up on this site inspection may be conducted to ensure the compliance issues have been corrected to comply with COGCC rules. This is a summary of inspection report.
