COGCC Inspection Report Summary

On Thursday 2/23/2023 at approximately 11:57 hours, I, Inspector Tom Peterson, conducted an on-site inspection at the KPK McCarty #2 API #123-10514 in Weld County, Colorado.

While there, I observed that the DCP gas sales meter station #235317 appeared to have current product sold. The following possible compliance issues were observed: Immediately cease all gas sales pursuant to Order 1V-863. Further gas sales from this battery is a violation of Rule 219 and Order 1V-863 with a corrective action date of 2/23/2023. Wells associated with this battery are: McCarty 10-21 API #123-26729.

A follow up on this site inspection needs to be conducted to ensure the compliance issues have been corrected to comply with COGCC rules.

This is a summary of the inspection report.
