General Comment:

On 2/17/2023, Reclamation Specialist O'Malley conducted an interim reclamation and stormwater inspection at Caerus Piceance LLC's HMU-67S93W/10NENE Location #334924 in Garfield County, Colorado.

The following compliance issues were observed during this inspection:

- Tank battery sign absent

Refer to the "Location," "Reclamation" and "Stormwater" sections of this inspection report for additional details.

Refer to the photo-documentation of the observed compliance issues attached to this report.

Any corrective action(s) from previous inspections that have not been addressed are still applicable.

A follow up inspection on this site will be conducted to ensure the compliance issues have been corrected to comply with COGCC rules.

Comment

Areas of the location not needed for production, or no longer in use have been reduced and reclaimed. No noxious weed concerns observed at the time of this inspection. Introduced perennial grasses (smooth brome, Russian wildrye) and occasional native shrubs (four-wing saltbush, rubber rabbitbrush) appear established. However, assessment was impeded by snow cover. A follow up inspection will be conducted during a future growing season to determine compliance with 1003 requirements.
