OPERATOR COMMENT AND SUBMITTAL

Comment: CA follow-up completed for location.

Important Note: Operator listed a second CA for the location; however, the CA was not identified on the Inspection Form (only 1 CA was noted on the Inspection Form). The second CA: Riser at North Separator will need to be marked to be in compliance with Rule 606. Operator did address this CA and provided follow-up photos and notes. These photos and notes have been included on the attached "Inspection Photos" PDF report.

I hereby certify that the statements made in this form are, to the best of my knowledge, true, correct, and complete.
