COGCC Inspection Report Summary

On Wednesday 3/1/2023 at approximately 13:04 hours, I, Inspector Tom Peterson, conducted an on-site inspection at the PDC Energy McLeod #5 location #332264 in Weld County, Colorado.

While there, I observed dead vegetation around the wellhead. The following possible compliance issues were observed: Rule 606. with a corrective action date of 3/17/2023. A follow up on this site inspection needs to be conducted to ensure the compliance issues have been corrected to comply with COGCC rules. This is a summary of the inspection report.
