COGCC Comments

Comment	User	Date
Note: COGCC Staff could not look at the previously attached photos associated with the FIRR Doc.# 402576154; it failed to load the PDF document. Operator indicated that in compliance with Rule 306.f., all unmarked risers have been tagged. It is unclear what the Operator was referencing, as there is no Rule 306.f.	binschusc	02/27/2023
