<p><a href="#">COGCC Inspection Report Summary</a>                      On Thursday 3-22/2023 at approximately 2:25PM hours, I, Inspector Randy Silver, conducted an on-site re-inspection per Doc#697007164 at the KPK Stroh #1 location #319250 in Weld County, Colorado.                      While there, I observed that the DCP gas sales meter station appeared to have current product sold. The following possible compliance issues were observed: Immediately cease all gas sales pursuant to Order 1V-863. Further gas sales from this battery is a violation of Rule 219 and Order 1V-863 with a corrective action date of 2/23/2023. Wells associated with this battery are: Stroh #1 API #123-10865, Stroh 33-1 API #123-24142, Stroh 33-4 API #123-24143, Stroh 33-2 API #123-24146, and the Stroh 7-33 API #123-26390. ECD and Hoz seperator were in operation at time of inspection.                      A follow up on this site inspection needs to be conducted to ensure the compliance issues have been corrected to comply with COGCC rules.                      This is a summary of the inspection report.</p>	silverr	03/22/2023
