89210	WELL	PR	12/01/2022	CBM	071-06790	ARMADILLO 34-32	RI

General Comment:

This is a follow up to the previous inspection #695107536.

COGCC Comments

Comment	User	Date
This inspection was conducted from a distance observing heavy equipment operations which was repairing the access road where erosion and debris filled in culverts at the intermittent stream crossing. A follow up inspection will be performed to evaluate completeness of the previous stromwater corrective action.	CostaR	03/27/2023
