

Certification of Financial Capability

To Who It May Concern,

I'm making this statement based on the demonstrated costs used in our financial assurance submittal. Impetro Resources LLC is financially solvent and will remain that way for the foreseeable future provided these costs aren't mandated to be increased by the COGCC. Any increase to these costs may make this statement untrue and cause undue financial harm to Impetro.

Sincerely,

A handwritten signature in black ink, appearing to read "Brent Bongers". The signature is stylized with a large initial "B" and a long, sweeping underline.

Brent Bongers

President/COO
