**General Comment:****COGCC Inspection Report Summary**

On Tuesday 3/28/2023, I, Inspector Scott Ramsey, conducted a routine inspection at Wyman Robson-Wyman 14-16, at Location # 316761 in Route county Colorado.

Any Corrective Actions from previous Inspections that have not been addressed are still applicable.

While there, I observed normal production operations. This location is within or in close proximity to a CPW Density/High Priority Habitat, black bear, NSO habitat, Wildlife black bear Management and Density habitat. Location is snow covered.

During this inspection the following possible compliance issues were observed:

1. Some equipment stored on location not used on lease. Met with operator on location and he informed me that he would move the equipment when weather permits. Therefore no C/A issued.

This is a summary of inspection report.
