<p>COGCC Inspection Report Summary</p> <p>On Wednesday 4/5/23 at approximately 0900hrs, I, Inspector Adam Burns, Conducted an attempted on-site inspection at Carmin 43-5 of Chevron, at API #05-123-20810 in Weld County, Colorado.</p> <p>During this inspection the following possible compliance issues were observed: Location is not accessible during normal business hours. Provide key, combinations, or alternate method of access to comply with rule 204. With a CA date of 4/6/2023 I did contact Chevron, in which they sent out an operator. The operator did not know the combo. They informed me they would have to get with their land management. See attached photos.</p> <p>A follow up on this site inspection needs to be conducted to ensure the compliance issues have been corrected to comply with COGCC rules. This is a summary of the inspection report.</p>	burnsa	04/05/2023
