OPERATOR COMMENT AND SUBMITTAL

Comment: Desert Eagle Operating has taken all corrective action required and will continue to employ Best Management Practices to reasonably minimize land disturbances and facilitate future reclamation. Access roads are maintained so as to reasonably control dust and minimize erosion, alteration of natural features, removal of surface materials, and degradation due to contamination. Signs have been corrected with current operator information and posted at the road and at the wellhead location.

I hereby certify that the statements made in this form are, to the best of my knowledge, true, correct, and complete.
