Comment

Cereal rye was observed along the southern and central interim reclamation area, which appeared to have gone to seed. Refer to Photos 1-2 and 4.

Operator indicated that the interim reclamation areas would be seeded within the next week.

Operator shall continue to monitor and manage this site until the location meets Rule 1003 standards, including stormwater and weed management. Operator shall submit a Form 4 Interim Reclamation Complete notice when the location meets Rule 1003 standards. COGCC may conduct inspections prior to receiving said notice to ensure compliance with Rule 1003.
