<p>COGCC Inspection Report Summary **Weather Conditions: cloudy, wet ground On Wednesday, April 26, 2023 at approximately 11:00, I, Inspector Brittani Santistevan, conducted an on-site inspection at RAINDANCE FC 26-049 HN (PDC Energy), at API #: 05-123-44985 in WELD COUNTY Colorado. While there, I observed a producing wellhead. During this inspection the following possible compliance issues were observed: 1. Unused/disconnected valves at wellhead. Reconnect or remove from location to comply with Rule 606. (Corrective Action Date: May 26, 2023) See attached photo #s 3-4. 2. It appears to be stained soil at casing. Conduct maintenance on equipment, cleanup stained material and review self inspection processes per Rule 1002.(2).d. (Corrective Action Date: May 26, 2023) See attached photo #3. A follow up on this site inspection needs to be conducted to ensure the compliance issues have been corrected to comply with COGCC rules. This is a summary of inspection report.</p>	santistb	04/26/2023
