Financial Assurance	Under the direction of Deputy Director Cuthbertson, the COA was removed for HRM Resources III LLC since the operator is defunct. WEXPRO Development Company accepted the COAs. Location 313111 and its corresponding well, 05-081-06924 were not included in the transfer and therefore orphaned.	04/26/2023
Financial Assurance	<p>In my original email dated 11/19/2022, we had the following issues to be resolved.</p> <p>I have reviewed the above mentioned form 9 transfer and have noted the following issues that will need to be resolved before approving the transfer.</p> <p>Issue 1: There are two Unaccounted Form Related Facilities that will need to be accounted for. If the wells are to be retained by the seller, then they will need to be added to a Related Wells & Facilities – Not Transferred list. In addition, a Seller Retains Responsibility Attestation will need to be added to the Subsequent. In a follow up email Tammy, you indicated that the aforementioned wells would transfer over to WEXPRO. I indicated that they would need to be added to the Wells and Facilities Transferred list. I have attached your original spreadsheet that was uploaded to the Form 9. Also, there is a Pit Facility #286232 on Location #313001 that should be added to the transfer list. Once the corrections have been made to the spreadsheet, please email it back to me and I will get it uploaded to the form. If these items are not transferred, then they will need to be added to a Related Wells and Facilities - Not Transferred list as well as a Seller Retains Responsibility Attestation will be required.</p> <p>Issue 2: The Buyer Notified Local Govt. If the Unresolved NOAV is to be retained by the seller, then the incident will need to be added to a Related Incidents – Not Transferred list. In addition, a Seller Retains Responsibility Attestation will need to be added to the Subsequent.

Assuming the other Form 9 requirements are met, all Form 9s shall now be passed with the following two COAs:

The Buying Operator must file a Form 3, Financial Assurance Plan, within 10 business days of Form 9 approval –OR– by the applicable deadline as described in the Notice to Operators, Delayed Deadline for Rule 702.b(1)A.i., whichever is later. Per Rule 702, Buyer will then provide any required additional financial assurance as soon as practicable but no later than 90 days from the Commission’s approval of the Form 3, Financial Assurance Plan.

The Selling Operator must file a Form 3, Financial Assurance Plan within 10 business days of Form 9 approval –OR– by the applicable deadline as described in the Notice to Operators, Delayed Deadline for Rule 702.b(1)A.i., whichever is later. Per Rule 702, Seller will then provide any required additional financial assurance as soon as practicable but no later than 90 days from the Commission’s approval of the Form 3, Financial Assurance Plan.

Both operators will need to respond to this email accepting the Conditions of Approval.

Finally, all revised documents can be emailed to me and I will get them uploaded to the form.
