COGCC Inspection Report Summary

\*\*Weather Conditions: sunny, muddy

On Wednesday, April 26, 2023 at approximately 13:30, I, Inspector Brittani Santistevan, conducted an on-site inspection at RAINDANCE FC 23-232 HNX (PDC Energy), at API #: 05-123-51580 in WELD COUNTY Colorado.

While there, I observed a produced wellhead.

During this inspection the following possible compliance issues were observed:

1. It appears to be stained soil at the wellhead. Conduct maintenance on equipment, cleanup stained material and review self inspection processes per Rule 1002.(2).d.

(Corrective Action Date: May 26, 2023) See attached photos #3-4.

A follow up on this site inspection needs to be conducted to ensure the compliance issues have been corrected to comply with COGCC rules.

This is a summary of inspection report.
