Township 6 North, Range 67 West, 6<sup>th</sup> PM  
Section 27: Southeast Quarter of the Southwest Quarter  
Weld County, Colorado

Dear Mr. Brown:

The abandoned **Eastman Kodak #1** well located on your property described above needs to be re-entered and re-plugged to improve the integrity of the well bore. Prior to commencement of those operations, the Colorado Oil and Gas Conservation Commission requires the Operator to inform you and to secure your agreement to the procedures.

PDC Energy, Inc. is required to locate the old well bore, attach new pipe to bring the bore to surface grade and then enter the well bore with a workover rig to re-plug the well to current standards.

Please acknowledge your receipt of this notice and your consent to the proposed operations by signing and dating below.

If you have any questions or concerns regarding this matter, please do not hesitate to contact me directly at (970) 459-7766.

Regards,
