COGCC Inspection Report Summary

**Weather Conditions: sunny, dry ground

On Thursday, April 27, 2023 at approximately 11:30, I, Inspector Brittani Santistevan, conducted an on-site inspection at RAINDANCE FC 26-192 HC (PDC Energy), at API #: 05-123-45297 in WELD COUNTY Colorado.

While there, I observed a producing well.

During this inspection the following possible compliance issues were observed:

1. Unused equipment (valve). Remove or reconnect to comply with Rule 606. (Corrective Action Date: May 27, 2023) See attached photo #2.

2. It appears there is stained soil around casing. Conduct maintenance on equipment, cleanup stained material and review self inspection processes per Rule 1002.(2).d. (Corrective Action Date: May 27, 2023) See attached photo #3.

A follow up on this site inspection needs to be conducted to ensure the compliance issues have been corrected to comply with COGCC rules.

This is a summary of inspection report.
