<p>COGCC Inspection Report Summary **Weather Conditions: cloudy, dry ground On Tuesday, April 25, 2023 at approximately 14:30, I, Inspector Brittani Santistevan, conducted an on-site inspection at RAINDANCE 26-112HNX (PDC Energy), at API #: 05-123-45301 in WELD COUNTY Colorado. While there, I observed a producing wellhead. During this inspection the following possible compliance issues were observed: 1. It appears there is stained soil surrounding casing. Conduct maintenance on equipment, cleanup stained material and review self inspection processes per Rule 1002.(2).d (Corrective Action Date: May 25, 2023) See attached photos #3-4. A follow up on this site inspection needs to be conducted to ensure the compliance issues have been corrected to comply with COGCC rules. This is a summary of inspection report.</p>	santistb	04/25/2023
