5. The west power pole has this stained soil on the east side of it

6. This bare spot is west of the Stubbs oil tanks running downhill. There's no vegetation and the landowner has been complaining about bare spots all over his pasture. (Noted by Mr. Kosola on 8/23/22 Insp #700600410 CA date of 9/9/22. And noted on follow-up inspection #700600414 on 8/30/22)
