SURFACE DAMAGE AGREEMENT & RELEASE

KNOW ALL MEN BY THESE PRESENTS:

That for and in consideration of the sum of [REDACTED], paid to the undersigned by **Maralex Resources, Inc.** (hereinafter "Operator"), receipt of which is hereby acknowledged, **Greg S. Giles** (hereinafter "OWNER") and their heirs, successors, and assigns, as the OWNER of the hereinafter described lands, do hereby release Operator, its successors, agents and employees from any and all claims for damages to the surface of the hereinafter described lands in La Plata County, Colorado, resulting from the ingress and egress, drilling, completion, operation, maintenance and/or abandonment of the **Keegan Patrick 33-7-11 #3C** well situated upon and under the hereinafter described lands:

Township 33 North, Range 7 West, NMPM
Section 11: Parcel 4 of Bridle Valley Ranch, plat recorded as Reception No. 783735, County of La Plata, State of Colorado.

The wellpad to be located around the wellhead located 1880 feet from the South section line and 1037 feet from the West section line.

Operator shall use only such portions of the described lands as are reasonably necessary as more particularly shown on attached Exhibit "A"; however, the surface area actually disturbed for the wellpad shall not be more than 1.5 acres in size for drilling and completion operations. Operator shall have full and complete access to the original 1.5 acre wellpad at all times for subsequent well operations. Operator will install one gas gathering and one water gathering pipeline. Such pipelines shall be laid to a minimum depth of 36 inches below the surface.

OWNER hereby grants unto Operator an easement for the existing road across the above referenced property as shown on the attached Exhibit "B". The parties hereto shall cooperate with each other concerning the use and enjoyment of the subject road except for the purposes herein granted, but such use shall not hinder, conflict, or interfere directly, or indirectly, with the exercise of Operator's rights hereunder.

OWNER further releases Operator, its successors, agents and employees from any and all claims for damages for loss of growing crops on the hereinafter described lands resulting directly or indirectly from the drilling, completion, operation, maintenance and/or abandonment of the well identified above.

The consideration paid hereunder shall also compensate the OWNER for damages sustained or which may be sustained, as a direct or indirect result of the construction, maintenance and subsequent use of the access road and production facilities necessary for Operator, its successors, agents, and employees to properly conduct operations and maintenance activities associated with the well identified above. Operator shall conduct its operations in a manner which will cause the least practical interference with OWNER's use of the leased lands.

Operator agrees to repair all fences and build gates in a manner which will allow OWNER to continue its use of the property in its current manner. Drainage areas or irrigation ditches will be re-constructed in a manner agreed to with OWNER. Upon completion of the well, the wellpad shall be reduced in size to the minimum necessary to allow for normal production operations and the remainder of the wellpad will be reclaimed. Reclamation shall consist of grading disturbed areas to pre-existing grade and seeding with a seed mixture recommended by the NRCS office for the area. Rig anchors may be left in place, if identified in a manner which will avoid damage to OWNER's equipment. Restoration shall conform to the Colorado Oil & Gas Conservation Commission (COGCC) rules and regulations. Operator shall maintain disturbed areas and facilities free of weeds. Well equipment shall be fenced.

OWNER hereby waives the thirty (30) day notification prior to commencement of drilling operations as required by Rule 305.b of the COGCC rules and acknowledges that OWNER has received the brochure "Information for Oil and Gas Operators, Surface Owners and Surface Tenants" as per COGCC Rule 305.c(6). This agreement shall serve as evidence that the consultation requirements of the COGCC Rules 305 and 306 have been fulfilled. Owner agrees that the terms of this agreement reasonably accommodate Surface Owner's use of the Subject Land pursuant to C.R.S. § 34-60-127.

Operator, in its discretion, may use synthetic liners for any pits utilized; however, Operator must bury said liners upon final reclamation of the site.

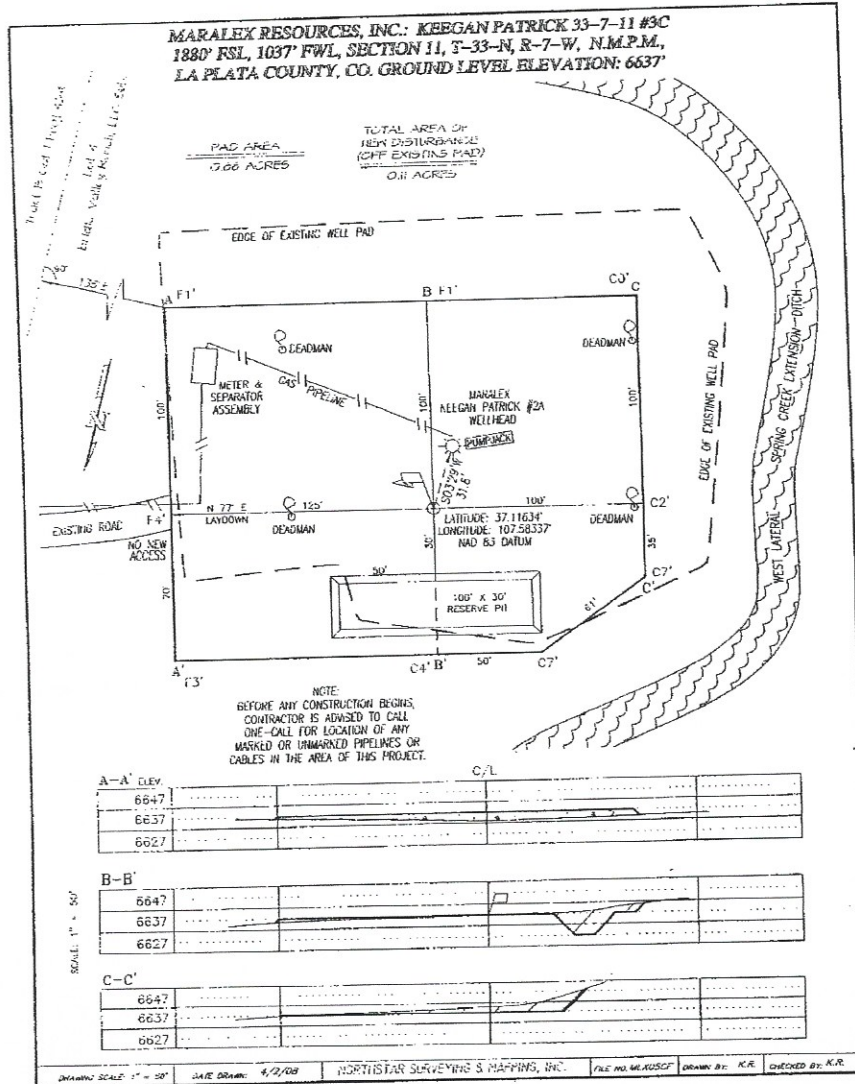

Operator will comply with COGCC Rules concerning Noise Abatement and shall install hospital grade mufflers, buried in series, sound walls, and/or other devices as necessary.

The consideration due hereunder shall be payable prior to the commencement of drilling operations on
