**WARNING - This message is from an EXTERNAL SENDER - be CAUTIOUS, particularly with links and attachments.**

---

Drew,

Attached are the pictures of the soil pile that is in question. The pile consists of aeration plugs and sand from over the years. The pile was made by the golf course, not the crew that worked on the well.

Let me know if you have any other questions.

Thanks,

**Eric Phillips**

Golf Course Superintendent

Todd Creek Golf Club
