<p><b>COGCC Inspection Report Summary</b>                      On Monday 5/8/2023 at approximately 13:55 hours, I, Inspector Tom Peterson, conducted an on-site follow up inspection at the KPK Koester 3-33-3 Pad location #302685 in Weld County, Colorado.                      While there, I observed that the DCP gas sales meter stations #237081, #237672 and #237673 appeared to have current product sold. The following possible compliance issues were observed: Immediately cease all gas sales pursuant to Order 1V-863 with a corrective action date of 2/22/2023. Further gas sales from this battery is a violation of Rule 219 and Order 1V-863. A follow up on this site inspection needs to be conducted to ensure the compliance issues have been corrected to comply with COGCC rules.                      This is a summary of the inspection report.</p>	petersont	05/08/2023
