Re: Final Plugging Reports  
Nautilus Equipment, Inc.

Dear Mr. Pivonka,

I am writing this letter in regard to the verbal approval to plug the wells operated by Nautilus Equipment on the attached list. I realize the work has been recently completed on these wells but final plugging information on a Sundry Notice and cement verification is still required for each well you plugged.

The verbals to plug were given in March, 1990 which has allowed you ample time to complete this operation. If you have any questions please notify this office.

Yours truly,

Stephan Pott  
Sr. Engineer
