Financial Assurance	Both operators have resolved all issues and accepted the COAs. Form 9 approved.	05/10/2023
Financial Assurance	Ryan, Is it correct to assume that the Incidents Proposed for Transfer is the Incidents transferred list? Also, there are quite a few duplicates on that list. Please remove the duplicates and resubmit the list. D90 still needs to accept the COAs. I have not received an email from them accepting the COAs. Finally if D90 is retaining the responsibility for the NOAVs, they will need to submit a Seller Retains Responsibility Attestation.	04/24/2023
Financial Assurance	<p>I have reviewed the above captioned Form 9 transfer and have noted the following issues.</p> <p>Issue 1: Both the Wells and Facilities Transferred and Incidents Transferred Lists indicate that the current operator is Fulcrum Energy Operating. Since these items have not transferred in our database, the current operator should be listed as D90 Energy LLC or the current operator in the database should it be a legacy operator. Solution 1: Please correct both spreadsheets and resubmit by emailing the revised spreadsheets to me.</p> <p>Issue 2: There are two Unaccounted for Related Incidents that will need to be accounted for before the transfer can proceed. NOAV #403197216 NOAV #403258393</p> <p>Solution 2: Both the Intent and Subsequent attestations indicate that D90 Energy LLC is not retaining the responsibility for any incidents. As a result, both NOAVs will need to be added to the Incidents Transferred list.</p> <p>Assuming the other Form 9 requirements are met, all Form 9s shall now be passed with the following two COAs:</p> <p>The Buying Operator must file a Form 3, Financial Assurance Plan, within 10 business days of Form 9 approval. Per Rule 702, Buyer will then provide any required additional financial assurance as soon as practicable but no later than 90 days from the Commission's approval of the Form 3, Financial Assurance Plan.</p> <p>The Selling Operator must file a Form 3, Financial Assurance Plan within 10 business days of Form 9 approval. Per Rule 702, Seller will then provide any required additional financial assurance as soon as practicable but no later than 90 days from the Commission's approval of the Form 3, Financial Assurance Plan.</p> <p>I have received acceptance of the COAs from Ryan Sullivan of Fulcrum Energy Operating. I will just need the emailed acceptance from D90 Energy LLC.</p> <p>When resubmitting the Form 3, please use the following comment.</p> <p>This Form 3 Document #_____ is submitted as a result of an approved Form 9 Transfer of Operatorship and it replaces Form 3 document # _____.</p>	04/14/2023
