**COGCC Comments**

Comment	User	Date
<b>COGCC Inspection Report Summary</b> On Monday 5/8/2023 at approximately 09:00 hours, I, Inspector Tom Peterson, conducted an on-site follow up inspection at the KPK Walters-Wedco-Ryland SW 21 location #319437 in Weld County, Colorado. While there, I observed that the DCP gas sales meter station #27133 appeared to have current product sold. The following possible compliance issues were observed: Immediately cease all gas sales pursuant to Order 1V-863 with a corrective action date of 2/22/2023. Further gas sales from this battery is a violation of Rule 219 and Order 1V-863. A follow up on this site inspection needs to be conducted to ensure that compliance issues have been corrected to comply with COGCC rules. This is a summary of the inspection report.	petersont	05/08/2023
