General Comment:

On 5/8/2023, Reclamation Specialist Trujillo Reclamation Specialist Trujillo inspected Locin Oil Corporation's FEDERAL #33-8 Location in Garfield County, Colorado.

This is also a follow-up inspection to #696204813, to document compliance for the following corrective actions:

- Tank signage/labeling
- Unmarked Anchors

It was observed that the Location remains out of compliance with COGCC Rules and Corrective Actions

The following compliance issues were observed during this inspection:

Refer to the "Location" and "Stormwater" sections of this inspection report for additional details.

Refer to the photo-documentation of the observed compliance issues attached to this report.

Any corrective action(s) from previous inspections that have not been addressed are still applicable.

A follow up inspection on this site will be conducted to ensure the compliance issues have been corrected to comply with COGCC rules.

LocationOverall Good: ☐**Signs/Marker:**

Type

Comment: Inspection #696204813 observed that signage at tank posted with incorrect Operator information. Inspection required Operator to comply with Rule 605.h.

It was observed in this inspection that signage/labeling at the tank/facility remains missing, or information incorrect. This corrective action has not been addressed; only signs observed are posted at the fence- labels/signs on container itself not observed. Corrective actions to comply with signage requirements have not been taken.

Corrective Action: **Comply with 605 rules at the battery facility, and tank.**Date: 05/04/2023**Emergency Contact Number:**Comment: 970-858-7546/911

Guy line anchors marked? Pass

Comment

Previous inspection observed that anchors on the Location were missing required marking. Inspections required Operator to comply with Rule 1003.a.

It was observed in this inspection that all 4 anchors have been identified by a marker of bright color not less than four (4) feet in height. This corrective action has been addressed.
