<p>COGCC Inspection Report Summary On Wednesday 5/18/2023 at approximately 10:45 hours, I, Inspector Tom Peterson, conducted an on-site inspection at the PDC Energy Weiss 34-6 I 7 location #329884 in Weld County, Colorado. While there, I observed that the location had sustained heavy storm water control damage. The following possible compliance issues were observed: Rule 1002.f.(2)C. with a corrective action date of 6/19/2023. A follow up on this site inspection needs to be conducted to ensure the compliance issues have been corrected to comply with COGCC rules. This is a summary of the inspection report.</p>	petersont	05/18/2023
