Thank you, Rick.

Jeremy: Please consider this email as Owner consent to enter the property specifically for the purposes of re-entering and re-plugging the two specified wells located on our property. However, prior to any such entry, Owner requires that both we (Denali PA7 LLC) and our lender, Citizens Bank, N.A., be provided with evidence of insurance naming both of us as additional insureds.

Thank you very much,

Courtney

Courtney,

As we discussed yesterday Civitas needs permission from the landowner as a part of their application to re-enter and re-plug the wells on PA7.

If you can reply all to this it will let them get started with their permitting.

Thanks,
Rick

Rick

Thank you for your assistance with Hines. Per our discussion, we need consent from Hines (DENALI PA7 LLC C/O HINES INTERESTS LIMITED PARTNERSHIP) as the owners of the property where the below P&A wells are located, to enter the property to re-enter and re-plug the mentioned wells. We'll include this consent with our Form 6 submittal as required by the COGCC. Please let me know how you'd like to coordinate with Hines, I'm available if questions arise regarding this initial stage. I'll certainly be involved with access and planning once we have COGCC approval and project scheduled. Thanks!
