OPERATOR COMMENT AND SUBMITTAL

This Form 9 is for an administrative transfer of specific locations from Laramie Energy, LLC, to Black Hills, which were originally purchased by Laramie Energy from Black Hills in February, 2018. The specific pads will be inspected and approved for final reclamation so that Black Hills would be able to cancel their bond(s). After the transferred pads are approved for final reclamation, they would then be transferred back to Laramie Energy.
A Form 10 (doc #402096828) was submitted 07/08/2019 to transfer the 24 pads from Laramie Energy to Black Hills. This Form 10 has never been approved.
The attorney-in-fact for Black Hills has provided a letter outlining the administrative transfer, but there are no additional legal documents or attestations for this transfer.

I hereby certify all statements made in this form are, to the best of my knowledge, true, correct, and complete.

Financial Assurance	This transfer has been approved after review by Deputy Director Cuthbertson without a requirement to submit a Form 3 as the transfer does not involve facilities included in Form 3 at this time. The initial Form 3, pursuant to Rule, only addressed Rules 702, 703, and 704. These rules do not address Locations where all the wells are PA, but the site has not passed final reclamation, which is Rule 707. 707 bonding will not be pursued until the Director does an annual review or the Operator voluntarily submits Location bonding specific to final reclamation.	05/31/2023

I think that this last step should do it.</p>	10/28/2022
Financial Assurance	<p>On Hold - Waiting a response from the operators. Kari and Joe,</p> <p>I am a little unclear as to what you would like to do. If all you need to do is to be able to submit documentation, then there may be other alternatives rather than a Form 9 transfer. We can always meet and discuss your options. Our goal is to assist in meeting your objectives while remaining in compliance with the rules. Please let me know how you would like to proceed.</p> <p>Thanks,</p> <p>Deb</p>	04/27/2022
