1003 f. Weeds Noxious weeds? F

Comment There are noxious weeds along the access road and at the location. Observed Diffuse knapweed, Hoary crest, Scotch thistle, and Mullein. It is recommended that the operator consult with the local weed control agency or other weed control authority when weed infestation occurs. Noxious weeds will need to be monitored and controlled which will likely require multiple control efforts throughout the growing season.

Corrective Action Comply with Rule 1003.f. for noxious weed control.Date 06/08/2023**Overall Interim Reclamation****Final Reclamation/ Abandoned Location:**
