Comment:

On 2/2/2021, Lonestar Services cross ripped location, spread gypsum and manure, deep tilled, seeded grass and built fence around location. Attached, is the work order receipt. Based on photos taken from the landowners access road coming in from the SE corner off of County Road 41 and County Road W, the landowner has removed the fence and is now working the location. Property appears decompacted and the access road is no longer accessible based on the attached photos taken 5/24/2023.

COGCC Decision: Approved pending re-inspection

COGCC
Representative: Approved pending re-inspection based upon work receipt provided.
Note photos taken 800' from the site are not sufficient to evaluate site conditions.
