<p>COGCC Inspection Report Summary                      On Wednesday 6-21-2023 at approximately 1430 hrs. I, Inspector Robbie Revas, Conducted an on-site inspection: Follow up to Inspection Doc # 702401425 &amp; 702401871.                      Operator: KP Kauffman                      Location name: Vonasek 2                      API #05-123-09229                      County: Weld                      Weather: Cloudy/clear.                      Location: dry.                      While there, I observed a wellsite, SI at the time of inspection.                      During this inspection, I observed the following possible compliance issue has been addressed:                      605.d Signs: WH sign has been updated to reflect current operator and emergency number.                      See attached photos.                      No follow up site inspection is needed to ensure that the addressed Compliance issues comply with COGCC rules.</p>	revasr	06/21/2023
