Department of Natural Resources

Loc: 484496 | Date: 6/15/2023

## Inspection Photos

**Photo 1.** View of test hole for topsoil evaluation. Taken at the Ardourel tank pad Lat/Long:37.09858,-107.76772. It appears there is 8-10" soil horizon that should be salvaged.

**Photo 2.** Northeast corner of the location facing southwest. It appears topsoil was being salvaged around 6-8" in some areas and less in other areas but salvaging was still ongoing.
