General Comment:

On 6/21/2023, Reclamation Specialist Trujillo inspected Locin Oil Corporation's FEDERAL #27-12 Location in Garfield County, Colorado.

This inspection is a follow-up to Inspection Nos. 693805278 and #696204919 to document compliance with the following corrective action:

- Signage
- Good Housekeeping

It was observed in this inspection that the Location remains out of compliance with COGCC Rules and Corrective Actions

Refer to the "Location" section of this inspection report for additional details.

Refer to the photo-documentation of the observed compliance issues attached to this report.

Any corrective action(s) from previous inspections that have not been addressed are still applicable.

A follow up inspection on this site will be conducted to ensure the compliance issues have been corrected to comply with COGCC rules.

LocationOverall Good: ☐**Signs/Marker:**

Type	TANK LABELS/PLACARDS		
Comment:	Previous inspections observed that signage/labels at the 300 bbl condensate tank does not comport with Rule 605.h; Operator information incorrect. It was observed in this inspection that the tank labels/placards at the condensate tank remains out of compliance with Rule 605.h. This corrective action has not been addressed and remains applicable.
